

Please read the following policies before registering for Youth Basketball:

Girls' Basketball 2024

PRACTICES BEGIN: The Week of January 8th, 2024

GAMES BEGIN: Saturday, January 20th, 2024

Goals and Objectives

The Muscatine Community YMCA strives to be a membership movement, strengthened by diversity, nourished by its roots in Christian values, is dedicated to the empowerment of women, girls, men and boys and the development of spirit, mind and body to attain a common vision of dignity for all. Each of our youth sports programs provide a recreational league, which encourages high participation within a less competitive environment. It is our hope that your child develops relationships through diversity, builds self-esteem, learns social values, and develops skills within the sport of Basketball. Please let the Youth Sports Manager know of any problems or concerns that may arise during the season. We cannot fix problems we do not hear about!

When you register your child for sports, please encourage your player to attend all practices and games. When your child misses practice, they are not prepared for the game. When your child misses the game, it places the team at a disadvantage. Too often, the team ends up playing with fewer players and no subs. This can be discouraging to the team as a whole and is not fair to your child or their teammates.
